Mary,

Although you were part of the yearbook ~~staff~~ you're still all right. It's been great ~~getting~~ to know you these past 2 years. ~~Just think~~ this is your last year. It must be nice! I've got to put up with Miss Cottrem another year. Won't that be fun?

Friends
always
Bob Gibbons

Mary,
You lazy bum you, no
just kidding, you did more work
than the yearbook at the beginning of
the year, at least in class you
were a real fun person, even
though it was not at first, but
then it got better.
I did, did (and crazy), girl, don
forget it. Good luck
in the future

Love ya,
Sara

Mary -
My birthday buddy! Honey,
I sorry I lost my Cabo this year, so as
soon as I be able to write a book. But I want
you to know that I had a mad crush on you
then, you "dated" Steve Darby. Just think
how different your life might have been if you had
been with Chris! I voted for you for "Most Beautiful
and really and truly believe it. You are a
natural - you know, like Cheryl Tiegs?! I like you
very much. Have a wonderful life, Foley.

Love -
JJ Kinnick

Mary,

You're such a spastic loser. We have some fun times together, between geometry, English and chorus. I will probably be seeing you alot at UNL since I fully carry for you. You should at least have one friend to talk to. We will have to go to Merit Beach this summer. THE BACKSTROKE! You are really a fun person to be around. Good luck next year at Big UNL.

Love,
Stacy Pitkey

Mary,

You are a really nice girl. Thanks for all the help in the musical I really appreciated it. I really had a blast that night we crammed into Jenny Robinson's car after the concert. I'll miss you next year. Good Luck in the future.

Friends Forever,
Lisa Bignée

Mary E. Foley.
Here I go again... having fun
It's been really fun in English and Journalism, etc.
you in English and Journalism,
your a really sweet (gag), nice (cough, cough), outgoing (hurl), etc. girl. Seriously, you made Journalism bearable, and added a lot of laughs to English, and paper is my hair. Good Luck and all that stuff. Have fun in college with Kelly & Nona. Try to keep them under control. Thanks for protecting me from Ivan. I wish you were gonna be around next year to protect me from the world.

See ya,
Love & God Bless,
Kimmy

Mary,
What can I say, we've been friends a long time and I'm going to miss you when I leave for boot camp. Good luck in the future and you better write! Or I'll have to T.P. your house. Stay sweet and may God bless.
Love ya,
T.T.
Dave

Dear, M.F.

Just think I didn't even know you before this year, what a true blue friendship we've acquired in this short time. All those wonderful classes in English when I had to cheer you up because you're so moody. I also had to keep you from mauling Steve Bailey. He always told me how much you were madly in love with him. You're gonna have a tough time in English next year, since you won't have me to do your work. Well here I am again for a second round with Mary Foley's yearbook. I've really enjoyed the times we've had this year. Try not to miss me too much. I'm sure I'll see you in the dorms. Take care and take it easy

Love Bill Bonness

Miss Folly,

It has been quite an interesting year with you in English class. I congratulate you on the yearbook - you did a good job. I really don't know what you are going to do next year but I'm sure you'll have fun doing it. Has Bill messed up your morals? Just kidding. All of those intellectual discussions you had must have done something. Good luck always. Have fun and a good life.

God Bless,

You did a good job in the musical. Gosh

Love Dave Paine

They seem to be withdrawn and reserved. But inside many brazen qualities are attempting to pierce out. They want to exhibit them. They want to be noticed.

The Exuberant . . . .

They're flashy. They illuminate the boring days and make the good days even better. The effervescent joyfulness that each one displays arouses us all. They make our frowns turn to smiles.

Don't be so shy Mr. Anker.

"What a wonderful, wonderful day!"

Style

A basketball player making that winning shot before the final buzzer. A football player running that ultimate touchdown. A student's first stage performance before a full house. What do all these students have in common? If you said style your absolutely right.

Every person in this school expresses his style in a unique way. Be it academics, sports, band, chorus, or a special way of just hanging around, we are all different. We are not a school full of clones, but a school full of individuals, unique individuals with distinct personalities. We have style, Chieftain Style. That's what makes our school terrific.

Left: Tony Jackson and Tony Markey stop to have their picture taken during a cross country meet. Below: Students gather to discuss things that went on during the day.

"We're Alright"

"We're Alright" was the theme to this year's Homecoming extravaganza held at the Peony Park Royal Grove, September 20.

The traditional mellow mood of this dance was put aside for a more festive feeling. The Student Council decided to make this year's Homecoming more of a "get-together" type of celebration. Therefore, the theme song, Kenny Loggins' "I'm All Right," was chosen over a more quieter, more lyrical selection.

At halftime, during the Abraham Lincoln football game, Krisy Boyd was designated Homecoming Queen for 1980.

The following night Pat Rush was crowned Homecoming King. The royalty then led the rest of the court to the music of Bittersweet.

Krisy Boyd and Pat Rush begin their reign as queen and king of the '80 Homecoming festivities.

J. Kinnick, Jean Little, Steve Andres, Sherry Johnson, Chip Hawley, Shelly Graham, Monte Reicks.

Mary,
I'm really glad I got to know you this year in Amer. Govt. I had a lot of fun in that class. You seem really nice & your really nice looking. Have a fun summer & take care of yourself. Keep in touch. Hope to see you over the summer.

I'm sitting here trying to write an ending for our senior year while the beginning hasn't even faded away! I can't say how great our senior year has been because the best is always yet to come. Our memories are created in an instant only to be stored away for future recollections. I hope that this year, our own senior year, has been great for everyone and that each of us have more than his own share of memories to stash away. This is it. So we have better had made the best of it. We are a unique class. Just take a look around you. If we can generate all the greatness that this school has witnessed from us the past three years, I'm sure life will come very easily to us.

Sophomores Go With The Punches

Left to right: Noble Oxford, president; Jackie Gomez, secretary; Mark Hansen, vice-president; Karen Hutto, treasurer.

This year was a beginning for us sophomores coming to a new and much bigger school. We had our ups and downs being sophomores this year. But remember, we won't be sophomores all ours lives we keep moving up the ladder each day. Soon we will be deciding on a college or a career.

Remember we are at the bottom of the ladder right now so go with the punches because some day we will be throwing the punches.

We had a great year in the sophomore class, it was a good way to meet people in our class who we never met and to do projects with only sophomores involved.

I would like to thank the representatives and the officers and Mrs. Lucky for helping making the sophomore class a success.

Remember: Yes, we can make it.

The Chieftain football team ended their season with a 3-6 record. The wins took place in a string during the middle of the season. Homecoming provided the first of the trio. East defeated A.L. 39-0. The highlight of the season was the victory over Bellevue West, 7-6. The game included one major scoring drive by each team. West's drive appeared in the latter part of the first half. Bellevue East put together their scoring drive in the closing seconds of the second half.

The Chieftains had their shut-out of the season beating Benson 25-0.

The East squad was able to get on the board in every game dispite playing powerhouses such as Millard, Prep, Bellevue West, and Omaha Central.

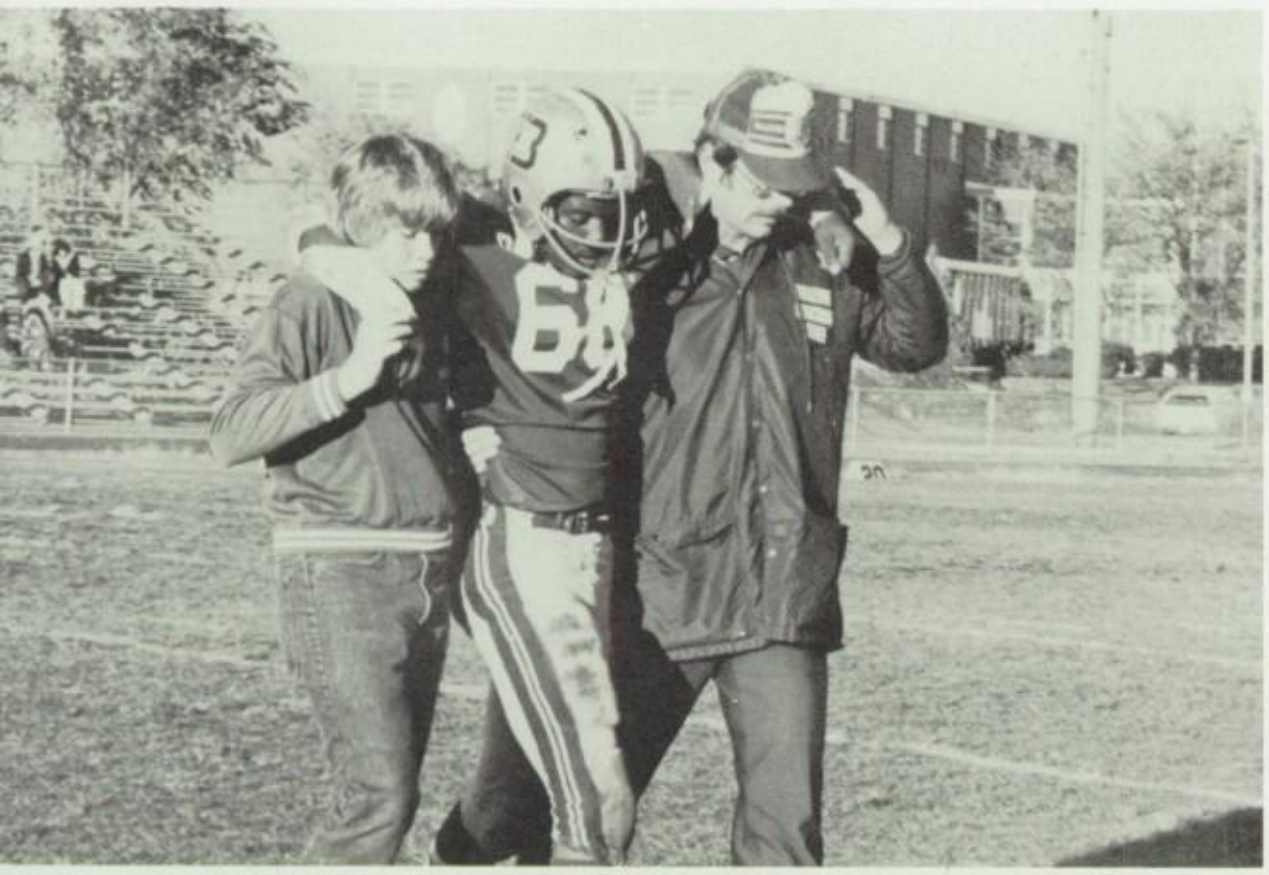
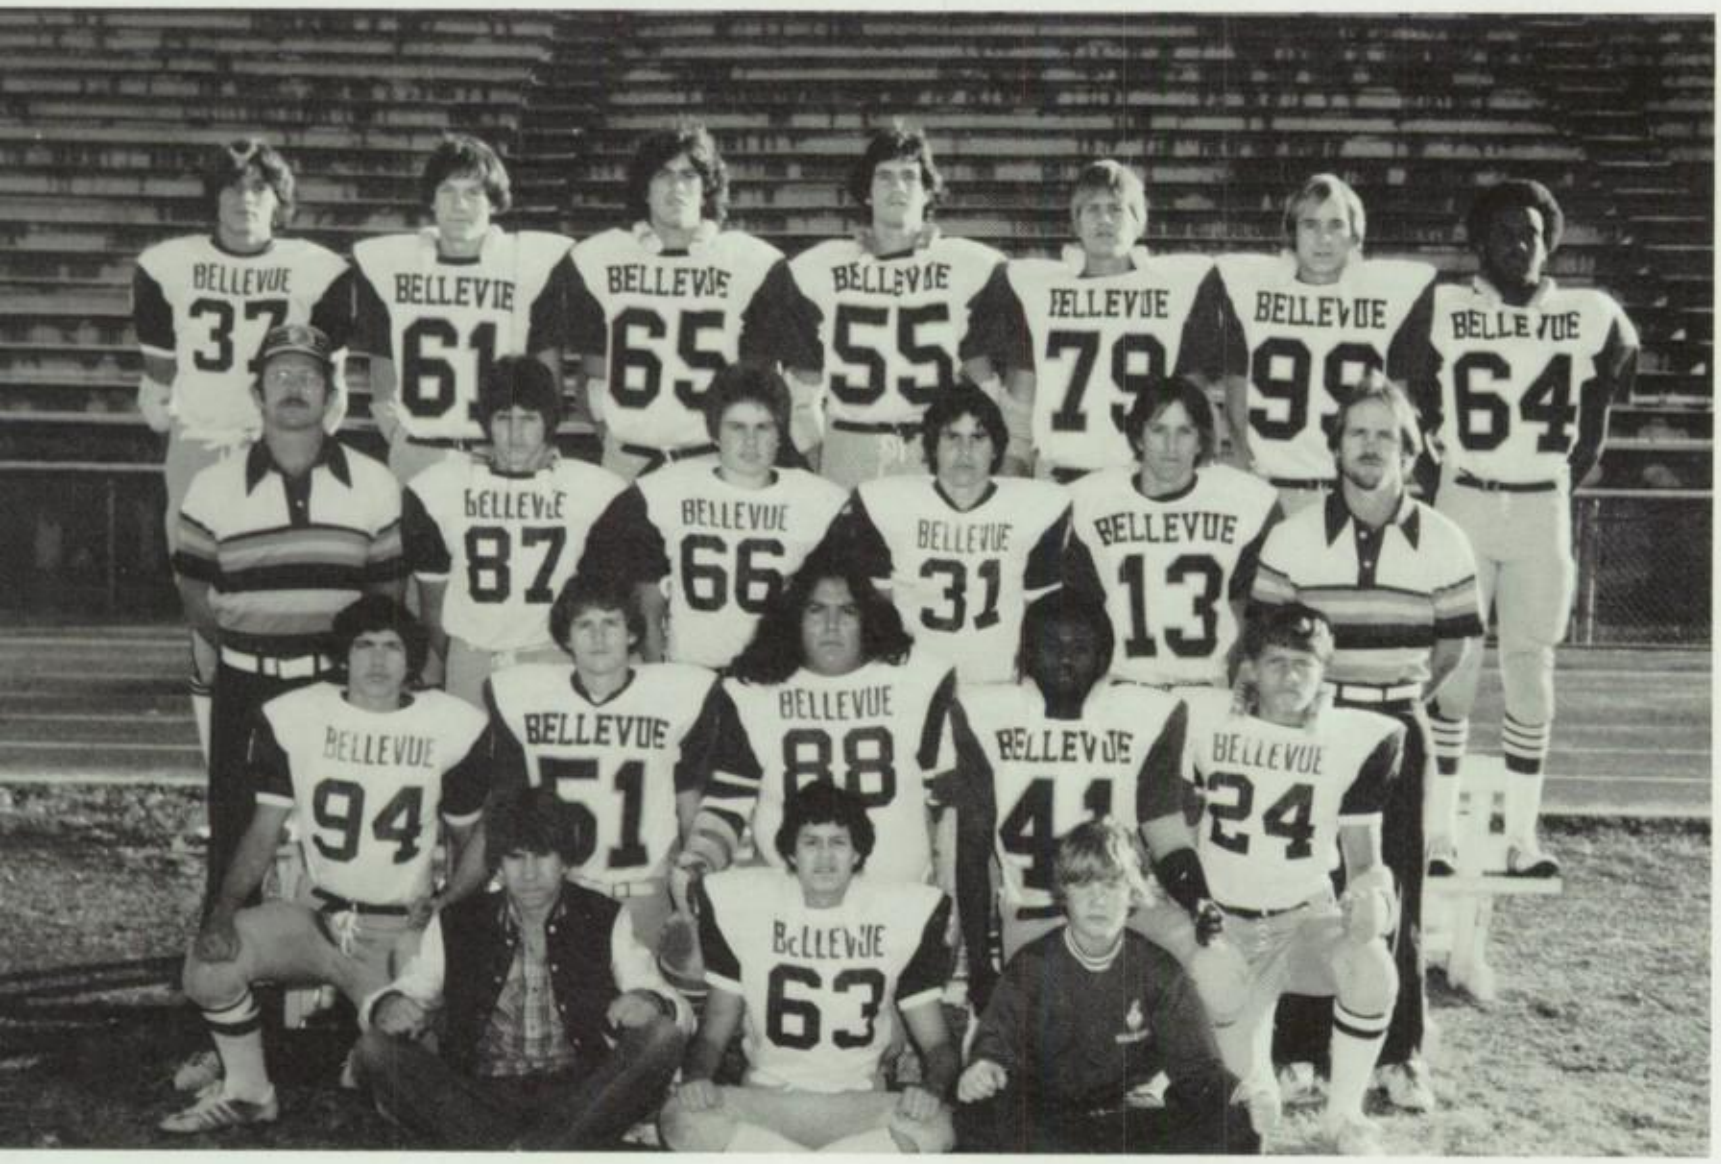
JV's Play Hard For 3-5 Record



This year's J.V. team compiled a 3-5 record. The three wins were against A.L., Benson, and Central. The team finished the season with a hard fought game with Papillion which ended in a 6-7 loss for East.

The J.V. team was no different from any other when it came to injuries as seen as Tony Ward is helped off the field (right).



Top row: Scott Doble, Norris Beckstead, Brian Simpson, John Prideaux, Scott Croston, John Dengel, Tony Ward. Third row: Coach Lintz, James Roberts, Wayne Olson, Bob Oldham, Kent Holtmeyer, Coach Anderson. Second row: Jim Reisinger, Dave Kerr, Chuck Natewa, Eddie Frederick, Scott Bisarek. Sophs Have Best Record

Top row: Jim Marcum, Greg Hulsey, Dan Hankins, Tim Rother, Mike McIntyre, John Smith, Tom Chavera. Second row: Coach Bedell, Mark Gilchrist, Rory Chandler, Brian Malmberg, Steve Buccholz, Tony Young, Noble Oxford, Coach Filkins. First row: David Doolittle, Bill Odom, Tom Rush, Eric Webber, Jeff Andrews, Mark Tylavsky.

The Sophomore team finished the year with the best record of any of the East football teams. They ran, passed, and kicked their way to a 4-4 record beating Prep, A.L, Benson, and Gross. Their biggest win came against A.L. It was a 20-0 win. This was one of two shutouts for East, the second was against Prep.

Like all East teams, the Sophomores got fired up in a team huddle as seen at left.

Runner-up Season

Back row: Coach Severance, Paula Novak, Haven Hawley, Katie Herting, Beth Goodman, Coach Kappas. Second row: Linda Parrish, Mary Sterup, Tammy Block, Vicki Wright, Deana Ziegler. Front row: Jeri Trumble, Peggy Boyce.

This year's volleyball team improved over last year's by three wins. They finished the year with a 10-8 record. Two of these wins came during the Lady Jay tournament where the East girls beat Bryan, Central and West.

The highlights of this season were when they beat West three times, once in a duel, once at the Lady Jay tournament and once at districts.

Next Years Hopefuls

Back row: Coach Severance, Gretchen Rinn, Ginger Rogers, Debbie Chandler, Kelley Lindsey, Coach Kappas. Middle row: Wendy Roller, Luana Kolani, Allyson Baker, Liz Anton, Karen Holtmeyer, Judy Maloney, Melissa Meinders, Jeri Trumble, Deana Ziegler, Peggy Boyce.

East's Junior Varsity Volleyball Team plowed the 80-81 season with a 9-2 record. The netters remained undefeated half-way through the season until they fell to Millard and Papillion in the same week. They re-grouped, however, and finished the rest of the season unbeaten.

The J.V.'s lost a pair of starters to the varsity team, but managed to remain tough competitors with a team combined of five juniors and six sophomores.

With many returning netters, it is certain Bellevue East will be a tough opponent next year.

Mary,
Well isn't this an appropriate page to sign on - with Sexy-baby in the picture - laugh! I'm glad we had at least accounting class together - at least we made it a little interesting. You're a great person - stay that way always! Good luck in whatever you want to have good luck in (auto, hah!)
Friends,
Judy Maloney

Top row: Coach Keith Kardell, Paul Walsh, Les Points, Kurt Kemp, Dan Smith, Chris Cousins, Mark Newhouse, Coach Darald Berg. Middle row: Tony Jackson, Kevin Worm, Mark Roberts, Tony Markey, Jeff Armstrong, Phil Cummins. Bottom row: Carol Kellagher, Julie Voss, Stephanie Hemming, Helena Norris.

Bellevue East's cross country team had a disappointing season, mostly because of a lack of size. A poor finish in a tough district prevented the men's team from advancing to the state meet. Tony Jackson did go, however, and finished 12th.

This year was the first year for a women's team seperate from the men's. The girls, under Coach Keith Kardell, ran well in tournaments.

The men's team also ran well in tournaments, usually finishing fourth or fifth. Team leaders were Tony Jackson, Tony Markey, and Mark Newhouse. Returning hopefuls include juniors Chris Cousins, Phil Cummins and Dan Smith, and sophomores Kevin Worm and Kurt Kemp.

Men Fourth At Districts

Back row: Steve Field, Bob Rogers, Dan Herrig, Pat Rush. Front row: Mike Bisarek, Bill Rogers, Craig Smith.

The Chieftain Gymnastics Team highlighted their season with a fourth place finish at districts. Along with taking fourth, they qualified two of their gymnasts for state, Bill Rogers on the pommel horse and Pat Rush on the vault.

According to Coach Rick Whitworth, the team was hampered by injuries throughout their 1-6 dual season. This year's team decided not to vote for team captains. However Rush, Rogers, and Field (all Seniors) led the team throughout the season, keeping the team's spirits high and making the season more enjoyable.

The Chieftain gymnasts ended the season with the same amount of wins as last year.

Mary Joe,
Yeah, I tried to get on the team, but everyone wanted to wrestle me instead of the guys on the other team. Oh well, maybe I won't be a professional wrestler. I'll be a... truck driver. Sure, that sounds exciting. Gosh, by this time next year, I'll be 16 wheeling it down the highways of America. Hey, I really had fun in American Govt. It's a shame you weren't here. Oh! (Famous quote from Sybil) You were on fact dicht, you sit right behind me. Yea, I thought I smelt something back there. Seriously now, let's keep in touch and get together this summer & write each other next fall, OK? I know you'll have a blast down there. Just try not to party too much. Take care, Good luck, & God Bless!
P/S Love,
yea! Steve

Front row: Relly Swank, Connie Kokes, Jackie Gomez, Karen Hutto, Donna Soesbe.

The Bellevue East Girl's Gymnastic Team For 1980-81 had a good year. Even though the team as a whole didn't place at districts, some individual members did.

The team finished the season with a 2 and 4 record, their two wins came in meets with Abraham Lincoln and Central.

This year's team captains were Susie Langston and Penny Krejci, both seniors.

Hopefully most of the junior and sophomore team members will be returning next year to get the season off to a good start.

Golfers Improve Record

Back row: Kraen Pelzer, Pam Dahlke, Kathy Hull, Joni Murphy Front row: Steffi Swanson

It was said last year that because of returning golfers, this year's team should improve and that's exactly what happened. The East High Girls Golf team finished the season with a 5-4 record, an improvement over last years 4-6 record. The Chieftain Golfers highlighted their season with wins over Bellevue West, A.L., Gross, Northwest, and Benson.

This year's team also increased in size, and if this trend continues the Girls Golf Team should enjoy improved records and bigger teams in the future.

East Has Trying Season

Paul Chamberlen, John Roddy, Terry Kenny, Coach J. Lang, Dan Berry, Chris Orr, Mark Stephens, Jim Fripp, Pat Doherty, Phil Jenkins, Todd Jurjevich, Kathy Ogden (manager), Steve Andrews, Jim Hood, Mark Newhouse.

This year's Men's Varsity Basketball team had a trying season, winning only two games at the time of printing. Their wins came against Bryan and Gross.

According to Lang, Jim Fripp was the most consistent player this year. He was also the team captain.

Lang said that the competition in Metro this year is the toughest it's been in years. The team had to face powerhouses like Prep and Northwest.

Although the season was not successful, Coach Lang said that they kept their spirits high.

Lang says he thinks next year's team should be an improvement over this year's. Next year's team will have experience and height with 6 foot 7 Al Holt and 6 foot 5 Jeff Pierce returning. Other returning varsity members include Pat Doherty and Terry Kenny.

JV Has Two That Reach Six Foot

Coach Tim Mosser, Mike Halloran, Al Holt, Jeff Pierce, Jim Dodd, Lee Pierce, Brad Rustan, Gary Brollier, Bill Behrens, Steve Givens, Dave Holt, Bill Wampler, Dan Longacre.

This year's Boy's Junior Varsity team completed the season with a 5-11 record with their five wins coming against Bryan (53-40), West (50-47), South (45-37), Gross (53-45), and A.L. (89-70).

The J.V. team will be sending two six foot players to the varsity squad next year, Junior Al Holt and Sophomore Jeff Pierce.

Soph's Have Hard Season

Coach George Lang, Jim Webb, Tim Rother, Bill Saunders, Kurt Kemp, Jim Paczkowski, Jeff Andrews, Mark Wallingford, Noble Oxford, Mike Burns, Chris Walters, Tony Young, Ray Korpi.

The men's Sophomore basketball team, winning only two games, showed their ability to play by keeping most of their losing games close.

In a few games they would be behind at half-time, but would pull within a few points and lose it in overtime.

Women Rated Sixth In State

Back Row- Haven Hawley, Head Coach John Barton, Kathy Hull (co-captain). *Third Middle*- Ginger Rogers, Coach Debbie Saunders, Manager, Tish Spain, Tracy Ritchey. *Second Middle*- Laurie Weidinger, Chris Emrich, Manager, Joni Murphy, Tammy Block (co-captain), Sarita Miller. *Front*- Beth Goodman, Allyson Baker.

This year's women's basketball team ended their season with a 15-5 record, which is the opposite of the 79-80 season.

The girls defeated Mercy (Class B), and Omaha Central (Class A) in one week. This gave them an eighth rating in state, the first time they have been rated in the top ten this season. By the end of the season, they were rated 6th.

The girls defeated West earlier in the year by a score of 40-20. They have only been beaten by West once since the schools split. That loss came last year.

The biggest highlight of the season was when they went to State. They lost their first game against Kearney. It was a close game. The point spread was no more than six points in the first 3 quarters and was 8 points at the end.

All five Chieftain starters fouled out in desperate attempts to narrow the margin.

Next year's team looks good as the J.V. team also compiled a winning record.

Top Left: Tammy Block drives in for a layup through Marian defenders. Top Right: Ginger Rogers keeps the ball away from a Marian player. Right: Sarita Miller shows her style as she goes up for a shot. Above: The Chieftain women get ready for another game.

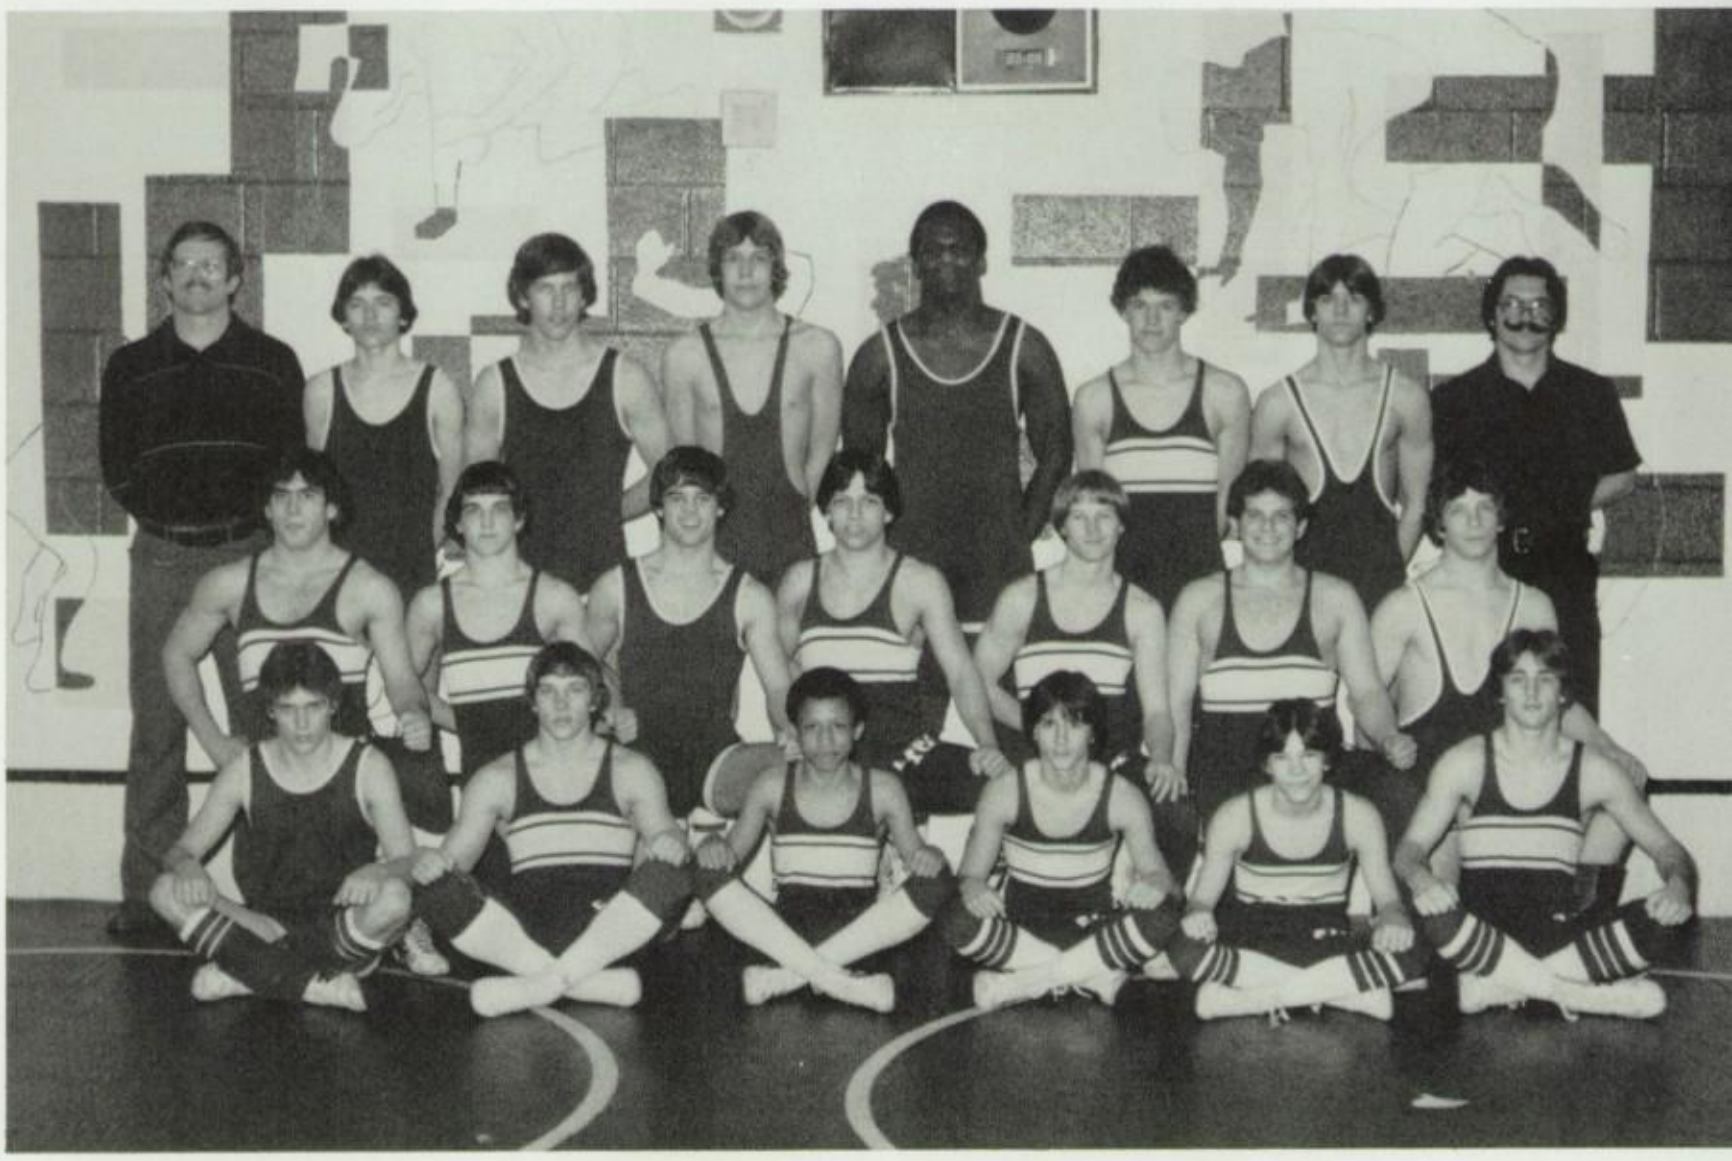
JV Women Compile Winning Record

Back row-Rhonda Huggins, Coach Debbie Saunders, Gretchen Rinn. *Second middle*-Manager Joni Murphy, Debbie Chandler, Vicki Wright, Karen Lymon, Gene McFarland, Manager, Tish Spain. *First Middle*-Luana Dugger, Kelly Whittier, Donora Bruck. *First Row*-Donna Soesbe, Karen Holtmeyer (captain).

This year's women's J.V. basketball team complied a 7-8 record, winning many games against the same schools as the varsity squad.

The 1981 J.V. players are hopefuls for next year's varsity squad. With the experience they received from playing on a good J.V. team this year, next year's varsity squad should have another very successful season.

Wrestlers Achieve Two Firsts



Top Row: Coach Lintz, Les Poole, Russ Forbis, Paul Brown, Stan Parker, Dave Francois, Greg Hulsey, Coach Henn. Middle Row: Dino Salcedo, Tom Rush, Bob Kamp, Tom Beach, Dan Irving, Sam Troia, Roy Chandler. Front Row: Andy Novak, Pat Rush, Greg Gilbert, John Crim, Todd Thrower, James Crim. Not pictured: Steve Caldwell, Mike Small.

This year's Chieftain wrestling squad achieved a first for Bellevue East as they defeated Metro runner-ups Bellevue West, 30-21. This was the first time that the Chieftains had out wrestled West since the schools split.

East also finished with their best record since the school split. They compiled a 9-1 dual record, with one of their wins against Metro champions Northwest.

The Chieftains only loss came in a dual against A.L. This was a very close dual in which the deciding points came in the heavy-weight match, where East's Stan Parker was disqualified for an illegal move.

The East matmen also had their best Metro finish in four years as they wrestled their way to third place. Dan Irving and Pat Rush both took first place honors.

The Chieftains should have another successful season next year as they will have six returning varsity members.

Back: Sponsor: Connie Franklin, Jill Jeglum, Susan Broderick, Jan Meyer, Kirsten Beilke, Cheryl Broderick, Elaine Martin, Carol Kellagher, Coach Nyberg. Second Row: Robin Hoschar, Linda Casey, Karen Hutto, Jackie Gomez, Julie Voss, Elizabeth Drap. Front Row: Susan Meiwald, Dawn McKain, Donna Hei, Chris Fox.

The Girls Swim team compiled a 6-4 dual record with a 7th place Metro finish and a 12th place at State.

The girls that placed at State were Jan Meyers who placed 12th in the 500, Julie Green who placed 4th in the backstroke and 9th in the 100 free. The Girls Medley relay consisting of Julie Green, Carol Kellagner, Kirsten Beilke, Julie Voss, placed 6th and the 100 free relay consisting of Kirsten Beilke, Julie Voss, Jay Meyers, Jill Jeglum, placed 12th.

According to Coach Nyberg the overall season was good, the team consisted of fourteen sophomores, five seniors, and one junior. Because of the large number of sophomores, the outlooks for the next two years will be good.

Coach Nyberg also said that the team has gotten bigger, this year's team had eighteen swimmers. But he said that in order to have a real successful season, you need about twenty-five swimmers.

Cox Breaks Record

Back Row: Coach Rick Whitworth, Jeff Stevenson, Dave Paine, Chip Hawley, Chris Ciesluk, Tony Cox, Coach Severance. Middle Row: Rob Willis, Kevin Burge, Don Deeds, Dave Newton, Eric Webber, Ken Cousino. Front Row: Ron Deboodt, Scott Bisarek, Mark Bisarek.

This year's Boy's Swim team finished th season with a 4-5 dual record. Swimmer To Cox finished his season with two school recor a 59.1 in the 100 fly, and a 57.32 in the 1 backstroke.

The boy's Medley Relay team broke t school record four times and at the end of th season their record time was 1:50.3. The Medl team swimmers were Jeff Stevenson, Tony C Ken Cousino, and Chip Hawley.

According to Coach Whitworth, the tea worked hard and kept their spirits high.

"We have the nucleus for a good team ne year," said Coach Whitworth.

This was Coach Whitworth's first year coaching the swim team and he will be retu ing next year.

The Chieftain annual serves as a permanent record of the school year's events, as well as of the students and teachers.

There is a lot of work and time put into it before the final publications are handed out at the end of the year. With a small staff of five, the yearbook was made after a lot of time, effort, planning, writing, printing, typing, headaches, and last but not least, fun.

Singers Learn The Scales

Allen Barnard, musical director, leads the voices of music loving students to form the Advanced Chorus. This chorus gave seasonal concerts and attended music contests. The harmonious group also sang at local elementary and junior high schools some time during the school year. They also entertained parents and other relatives when they sang at ending ceremonies of Baccalaureate.

The sophomore chorus also performed in the seasonal concerts. There were few sophomores in the chorus this year but nevertheless, their voices continued to sing, sing, sing.

Allen Barnard is in deep concentration in finding the right notes, while Mrs. Hughey reveals h enthusiasm.

Voices Are Always In Tune

Mr. Allen Barnard lead twenty-three talented voices to the path of harmony throughout the entire school year.

These voices belong to the Belle-Aires. This group performed for Fall, Christmas, and Spring concerts; clubs; churches; junior high and elementary schools and many civic organizations.

The Belle-Aires are selected by audition.

Mrs. Hughey is the pianist for the choir.

The 1980 Image was revamped in order to display a larger variety of student's work. This year's persistent student staff labored many hours in redrafting layouts to provide diverseness throughout the publication.

As part of the new look, bimonthly contests were held to give students an incentive to exhibit their creative talents. Every two weeks awards were given in the categories of poetry, creative writing, and artwork.

Bellevue East's Arrowhead Chapter of the National Honor Society is an honorary society made up of outstanding students. The object of the Chapter is to create an enthusiasm for scholarship, to promote worthy leadership, and to encourage the development of character in students.

Members of the Society must maintain a grade average of a two or higher.

These four cadets perform a ceremonial honor before the East basketball game.

The Bellevue East AFJROTC Squadron is composed of sophmore, junior, and senior cadets. This year the squadron is the largest it has ever been since the split of Bellevue High.

This year they have participated in the Offutt Open House, the Arrows to Aerospace parade, the Creighton Orienteering Meet, the Wherry Sign Re-dedication Ceremony, and the Jaycee Honey Sunday Drive. In addition to these, the cadets have provided Color Guard and crowd control at all school football and basketball games.

Part of the ROTC tradition includes producing excellent drill teams. Each year the Men's and Women's Varsity, along with the 22-5 (straight drill) teams take home a majority of the trophies awarded at the annual UNO Drill Meet.

The 22-5 Drill Team, under Jim Dodd's command is, back row: John Parker, Charles Vinson, Bob Bartlett, James Dodd. Second row; Mike Burns, Kevin Callaghan, Brian Olson, Ed Ward. Front row: Greg Camp bell, Ron DeBoodt, John Danforth.

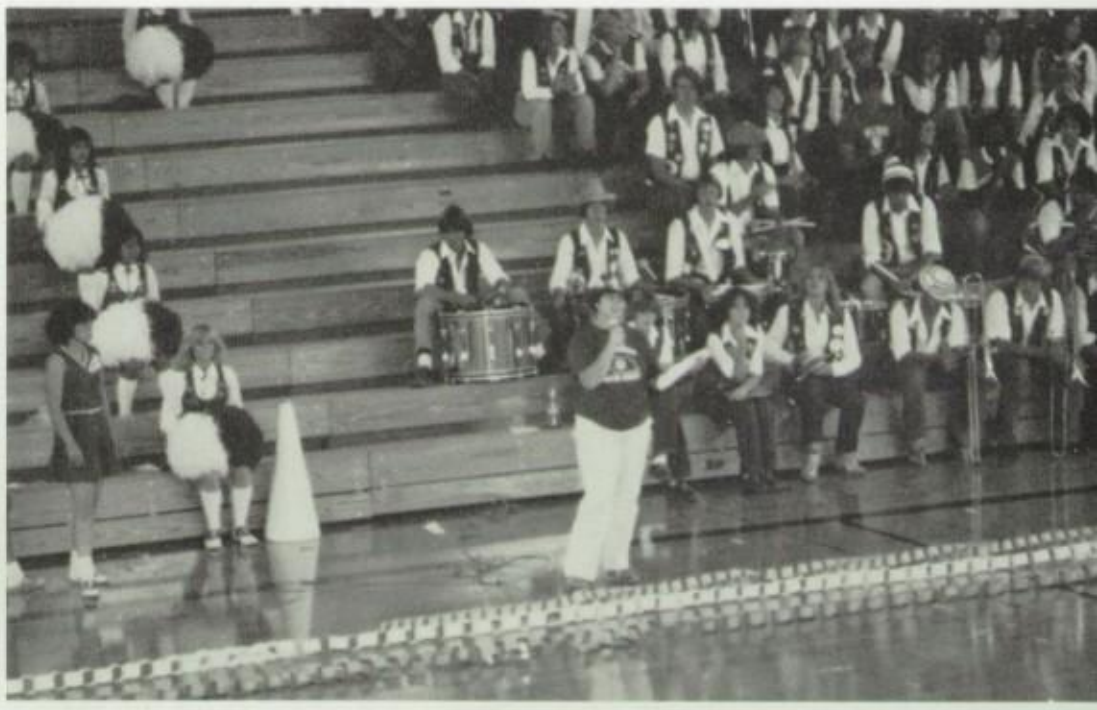
The purpose of the Student Council is to promote student activities and this year's council has been very active.

Last summer five council members attended summer workshops at Dana College.

The council hosted the Student Council State Convention with Bellevue West. East's Council was named one of four outstanding councils in the state of Nebraska.

The Student Council has sponsored many student activities including Homecoming, Spirit Week, Yellow Ribbon Day, the Valentine's Day dance, Teacher of the Year awards, and the annual Bloodmobile.

With the help of its sponsor, Mr. McConnaha, the Student Council has been able to get involved in the school itself. The Council now works as a liasion between the students and the administration.



President, Frances Aube, announces the seniors as winners of the spirit chain contest.

Debate Team; New But Strong

Back: Paul Walsh, Haven Hawley. Front, left to right: Steve Daily, Kathy Smith, Allison Hulsey, Kevin Burge, Sponsor: Miss Barbara Pickering.

This was the first year Bellevue East has had a debate team since 1977; the year Bellevue High split.

The team travelled to competitions throughout the Midwest and hosted the "Greater Omaha League of Debate" tournament. The tournament attracted over 40 teams throughout the metro area.

The purpose of the organization is to teach students how to speak logically, organize thoughts, and prepare proper research.

The team is under the direction of Miss Barbara Pickering, who plans to teach debate classes I and II next year. This will be the first time such classes will be available here at East since 1977.

Honorary Journalists

All of this year's members of the Quill and Scroll are seniors: In Back: Mike Cummins, William Maletta. Front Row: Sharon Winstryg, Mary Foley, Barb Caldwell.

To be a member of the Quill and Scroll, an international honor society for high school journalists, students must be enrolled in Journalism I or II and maintain either a one or a two average in journalism.

These students receive pins and certificates for being members. Bimonthly issues of the Quill and Scroll magazine are sent to each member. This publication keeps them informed of newsworthy items in the journalistic world.

I thus decorate this page because you know how much I ~~didn't~~ work in debate, my almost-not membership in Q&S, and "Shut up" in StuCo pictures. These two years have been so wild; journalism really has shown me a lot. Next year you'll be at College, and I be in Tennessee (this newspaper is worse than the MOT-MOT!), but I hope we'll be able to meet again, sometime. You're a mature person who still has fun - I really respect you. Although this year has really been the pits in some ways (cc., to wit), we've coped. To this too serious? Life is changing for us, and we must also change - but always remain strong,
Mary.

The Madwoman Of Chaillot

Kent Hanon directed this year's fall play. "The Madwoman of Chaillot," a social comedy by Jean Giraudoux.

The play is about a small town's warm hearted countess. The Madwoman, who conspired with her fellow madwomen to eliminate all the evil people in the world. This is after she finds out a group of oil hungry brokers, bankers and prospectors are out to level the city.

Scenery design and construction by Greg Hartel.

Mrs. Loretta Donnelly shows her authority in the library as she "shushes" rowdy students from taking over the school.

The library aides are volunteer students who give up their study halls and free periods to help check out materials, and keep the books, periodicals, and other such items in order.

This year a new system was added to the library entrance. This system buzzes if an unchecked book passes through the entrance. The aides have learned how to use the new system and it has helped them keep track of many books.

The volunteer students do not receive any glory from helping out but they are appreciated very much. If there were no aides, the books would be out of order which would cause students to waste a lot of time searching for the right book.

Not pictured are Tom Malloy, James Gross, Chris Anderson, Lisa Jobes, Elaine Sliwinski.

Yelling, screaming and getting rowdy for Bellevue East's sports are what the yell-leaders and cheerleaders try to promote.

There are fifteen cheerleaders and two yell-leaders this year. They cheer at all the football and home basketball games and also volleyball and wrestling.

The squad went to a cheerleading camp in Ames, Iowa, this past summer, and brought back the spirit stick and spirit megaphone, along with superior, outstanding, and excellent ribbons. The spirit megaphone was only awarded to one squad out of the entire camp.

The cheerleaders and yell leaders are picked from tryouts during the spring of the previous year.

Top Row: Kelly Bell, Captain; Jackie Gomez, Karen Hutto. Second Row; Samantha McLaughlin, Dawn McKain, Laura Everett, Missy Adams. Front Row: Tammy Cloyd. The J.V. squad successfully executes one of their stunts.

The junior varsity squad consists of seven sophomores and one junior. Hard work at summer practices shines through when they perform stunts such as the one above.

The Bellevedettes is a squad of twenty-four girls who perform the half-time show at football and basketball games. Their routines range from pom-poms, to just hands, or hats.

The girls are picked from try-outs during the spring of the previous year.

This year is the beginning of a new era for the Bellevedettes. They travelled to Winnipeg, Canada, with the marching band this past summer, and there they received high markings and finished second overall in an international contest.

Field marching has always been performed by just the marching band. However, now the field shows are executed by the marching band and the Bellevedettes as one unit. The results were superior ratings at Columbus, the Governor's trophy in Plattsmouth, and a lot more pride, spirit and class.

Bellevedette sponsor, Kent Hanon, gives his usual reaction as a photographer snaps his shot.

Governor's Trophy Proves Band Is Number One

The Chieftian Band has good reason to become the Pride of Bellevue East. This year the band proved itself superior in competition after competition.

During summer vacation the band, which includes the Bellevedettes as of this year, travelled to Winnipeg, Canada and placed highly in several categories, competing against other Midwestern high schools.

The main reason this has been an especially good year for the band is that they won the Governor's Trophy for the third year in a row. If any school band wins the trophy three consecutive years, they get to keep it. Bellevue East is the first school ever to do so.

The band, under the direction of Mr. Dave Young, and the Bellevedettes, under the sponsorship of Mr. Kent Hanon, also travelled to Columbus and got superior ratings.

East's size has kept it from achieving sports dominance, but the band has beaten its size handicap with the spirit that makes it the top band in Nebraska.

The marching band displays their excellent talents as they parade around the stadium before performing the pre-game show for a football game.

Mary,
Sit back and remember all the good times we had on the Journalism. Remember the long, agonizing hours we spent on the yearbook. Remember the times when we had to put up with missing deadlines, missing copy (Mike's copy), missing yearbooks, Linda Parish and good ole Miss Cothen, the sex-starved teacher who loved M.S.'s body. Anyway, here's the sweet and stuff you've been waiting for. Everytime I open up my yearbook I'll remember you. Good luck at UNL and I hope to see you real soon.

Love, Bill Maletta (Editor)

P.S. If anyone says that they hate the yearbook just beat the ___ out of them.

Dear Mary,

It was really fun working on the yearbook with you. I remember when we had to put up with missing deadlines and I think that you did a fantastic job. It was really a pleasure working with you. I'm sure you will do great things in the future. Remember to keep in touch. Write me a letter sometime and tell me how you're doing. Remember to study hard and get good grades. Have a good time in college. Remember to keep your head up and don't get discouraged. Remember to keep your chin up and don't get discouraged

Mary,
Have you had as good a year as I have? Ha, Ha!
I never knew you last year and Im sorry
or that. I think you're a great girl. You
eally know how to make people laugh,
nd that's a good quality. English was gobbles

ollege career at Lincoln. Be good. Love, "81"
Donna

Mary
You bitch! (Just Joking) It was ~~also~~

cut me down. But that's ok. Have a
very miserable life and I hope you
~~[illegible]~~ marry a bum and you have
to work to support your 5 kids. Well

Your friend,
Donna Hinds
